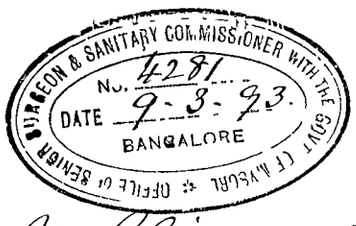
Submitted to the Chief Secy for orders—
33,



To The Chief Secretary to the
Government of Mysore.

Sir,

In Continuation of this Office No. 4227 of the 3rd instant regarding the advisability of opening a dispensary for women and Children at Chickmanglur to be in charge of a female Hospital Assistant, I have the honor to report for the information of Government, that we have at present only three female Hospital Assistants, as noted marginally, and to request orders as to whether it may or may not be desirable to train a few more for the service of the State.

Sirsa Patton.
Sarah Patton.
Susi Paul.

2 — These female Hospital Assistants have up to this been exclusively employed at the Maternities at Bangalore and Mysore, but if we had more of them and if Government desired to open dispensaries at Shimoga Mysore and other places exclusively for women and Children they might be put in charge of them as soon as they had gained experience or in charge of the female outpatient departments of some of the larger Hospitals.

3. — I have been informed that Hospital Assistan

is Solomi Paul has some intention of leaving the service and getting married. If she should leave the service before the expiry of the term she has engaged to serve Government she will have to refund the amount of Scholarship given her.

4.— I think we might with advantage train three more. It will take four years from October next to do it.

I have the honor to be
Sir
Your most Obedient Servant
